

Description - giving just the right amount of details in short stories. Every detail counts.

Imagery - comparisons showing how one thing is related to another (similies & metaphors)

Similie - Has like or as in it. Example! He was a pig when he ate. That's a metaphore. He was like a pig is a similie.

Metaphor - without like or as

Symbols - image or object that stands for something else.

Tone - The writers attitude towards the story. Humorous, serious, tragic, shows up in descriptions & images.
